**C. GENERAL CLARIFICATIONS:**

1. Due to the large number of pending commitments, supply chain interruptions, delays and additional expenses that may result from COVID-19 restrictions, Gage Brothers cannot guarantee any delivery dates until the actual order is received.
2. Fabrication and erection tolerances to be as per PCI standards.
3. Reinforcing and hardware is figured plain, no epoxy or galvanized coatings are included.
4. Lifting loops, picking inserts and any other connection hardware is intended for the sole purpose of lifting, handling and connecting precast. Any other use by any trade is prohibited without the express written consent of Gage Brothers Engineering Department.
5. Add **\$200.00/each** to cast in electrical boxes/conduits. Boxes and conduit with locations are to be furnished by Electrical Contractor at no cost to Gage Brothers.
6. Proposal is subject to review of contract language and conditions prior to execution.
7. All precast jobs have some touch-up and repair work. Gage Brothers reserves the right to patch/repair the stone/precast upon the completion of the installation. Once this remedial work is completed, identify any additional repairs on your final punchlist.
8. When Gage performs touch up and repair work required due to damage caused by other parties, we reserve the right to charge \$115.00 per hour for work completed in the Sioux Falls regional area and \$135.00 per hour for areas outside of the Sioux Falls region.
9. Gage Brothers will require an adequate roadway around the building for trucks to proceed under their own power.
10. Street permits and barricades, if required, are to be handled by the General Contractor.
11. Installation of materials embedded in site-placed concrete is not included.
12. The General Contractor is to supply ample room to drop 3 trailers at jobsite for each setting crew.

Watertown, SD

Gage Brothers | Page 3 of 4  
9/16/2021

13. Gage Brothers will not be held responsible for precast damages or repairs required from adjacent brick wash. The acid in the brick wash may damage finish and change the precast color.
14. Proposal is based on erecting panels prior to stud walls, infill framing or insulation being erected (i.e. access for panel connection from inside of building.)
15. Gage Brothers does not assume responsibility for additional freight charges that may be incurred from Spring Road Restrictions. Material will not be delivered while restrictions are in place. If delaying delivery is unavoidable, additional freight and permit charges will be passed on to the General Contractor.
16. General Contractor is to provide a perimeter offset line around each floor for horizontal control of precast erection. Line intersections at corners are to be scribed.
17. General Contractor is to provide a scribed elevation on each floor for vertical control of precast erection.
18. Unless otherwise noted, the erection proposal from Gage Brothers includes no reinforcing, bracing, or stiffening parent structure.
19. Personnel hoist/elevator available to move personnel from floor to floor at no additional charge.
20. All work to be performed on a steady, uninterrupted basis during straight time hours.
21. Crane access: Contractor to supply all necessary access to the structure as is necessary for erection of precast units so that trucks and cranes can operate under their own power. Crane to have a minimum of 50' level working surface adjacent to the work being performed. Seller assumes the working surface is adequate to support the bearing pressure of the cranes and that no improvements or matting is required to operate cranes. The contractor is responsible to maintain all erection roads. Access for scissor lifts is required at all levels of the structure.
22. Erector assumes no responsibility for site preparation and/or damage. In the event the crane must travel or set up within the site or off the jobsite, on concrete, asphalt, or sod to successfully be erected, de-erected or perform a lift, the liability of the surface and sub-surface condition including any buried electric lines, power lines, water lines, sewage lines, storm water lines, tunnels and vaults shall become the sole responsibility of the customer.
23. Gage Brothers have no site improvements, crane pads, or crane matting included in this proposal.
24. Any overhead obstructions, trees, lampposts or power lines that interfere with crane are to be removed by General Contractor.

#### **D. STANDARD CONDITIONS:**

- Sales Tax, Use Tax, and Excise Tax must be added where applicable.
- This Proposal is based on materials named and subject to the conditions noted on this proposal; and acceptance of your order is expressly made conditional on your assent to the terms and conditions stated herein, and Gage Brothers agree to furnish the materials described herein only upon these terms and conditions unless accepted by Gage Brothers in writing.
- This proposal when signed by the buyer becomes a contract subject to the approval of the credit department of the seller.
- The seller will not be liable for delay beyond the control of Gage Brothers which shall include weather, strikes, accidents, fires, labor disputes, and all other causes.
- Mobilization billing will appear 30 days from contract date or with first invoice.
- **Payment Terms:** Gage Brothers will invoice at the end of the month for materials fabricated and freight for materials shipped in that month. Invoices will be a volume rate (per cubic yard) payable net 30 days.
- **Worker's Compensation Insurance:** Gage Brothers has a Workmen's Compensation Insurance Carrier with an A.M. Best rating of **A-**. This covers shop labor in the Sioux Falls, SD plant only.
- **Indemnity Clause:** Indemnification shall apply to the extent of property damages or bodily injury resulting from negligent acts and omissions of the subcontractor, its agents, or subcontractors.
- **Warranty:** Any printed warranty delivered to the purchaser is the only warranty applicable to the merchandise sold herewith and is expressly in lieu of all other warranties, expressed or implied,

including any implied warranty of merchantability or for a particular purpose, except any written plans or specifications endorsed on this sale agreement for reference. In the event of a failure during the warranty period the seller's liability and responsibility shall be limited solely to replacement of defective material and the seller shall not be liable for the costs of replacement or any consequential damage resulting from the failure of the seller's material.

- Typographical errors are subject to correction.

**E. Delivery Policy:**

- Gage Brothers requires that orders be placed a minimum of two business days prior to delivery. For example, orders for a Wednesday delivery must be placed no later than noon on the proceeding Monday.
